## electrolux dishwashers – smart lines, sparkling results

Electrolux dishwashers boast clean European-inspired lines and engineering excellence that will ensure cleaning up after entertaining is a breeze.

For those devoted to culinary perfection, there is little more satisfying than plating the ultimate gourmet delight on glistening clean plates. After dinner you can relax and enjoy your evening, knowing that the wall of dirty dishes can be knocked over with the push of a button.

### **built for your lifestyle**

From a fast and functional quick 30 minute program which gives a great wash to lightly soiled dishes in only half an hour, to the anti-bac® option (EX601SC only) which removes up to 99.9% of harmful germs for the ultimate in hygienic washes.

### **flexible interiors**

With an interior that can be easily adjusted to fit everything from large pots and pans to glasses of all shapes and sizes, these dishwashers take the hard work out of entertaining giving you more time to spend with family and friends.

### **energy saving technology**

These dishwashers feature unique load sensing technology, which determines how much water is needed for each load. During the Auto program, turbidity sensors also detect the dirt level and adjust the wash cycle accordingly.

## dishwasher collection features

### multiple wash programs

This range offers up to 8 programs – including a unique plate warmer program (ESF68040X only) for ultimate entertaining ease.

### delay start

Delay start function allows you to delay the washing cycle by up to 19 hours (1-9 hours ESF65060W) allowing you to wash when it's convenient.

### quick 30

Quick 30 program allows for a quick wash for small or lightly soiled loads, offering flexibility for your busy lifestyle.

### adjustable upper basket

Allows for flexibility in loading. Larger plates can be loaded in the lower rack with ease.

### interior light

Light up the inside of the cavity allowing you to load and unload with ease. (ESF68040X only)

### superior drying

All dishwashers in the range offer superior drying performance with an active dry system for a streak-free finish. ESF68040X incorporates Turbo Dry, further enhancing drying performance.

### flexibility

Wine glass rack (ESF68040X, ESF66060X) protects your tall glasses and the cutlery tray (ESF68040X) allows you to separate larger items and knives.

### environmentally friendly

4.5 star water rating and 2.5 energy rating Star rating allows maximum washing results whilst still remaining environmentally friendly (ESL66010, EX601SC have a 4 star water rating)
