Soft close door	Huge 125L gross capacity oven	Quadruple glazed doors	

---

### BENEFITS

---

<b>Effortless baking</b> Adding steam to your Baking Program can lift your baking skills to a whole new level. The Bake +Steam function on this oven uses a touch of steam to create a richer and glossier colour, a crispier crust and soft delicious texture for your home-baked goodies.	<b>Twin fan system</b> Cook each dish to perfection with the Twin Fan System. Fans rotate in opposite directions, distributing heat evenly throughout the oven, so you enjoy great results every time.
<b>Say hello to intuitive control</b> Cooking should be fun, not complicated. Our Intuitive Oven Interface (IOI) gives you a simpler and more enjoyable way to cook. You won't even need a manual.	<b>The perfect result, every time</b> The Smart Food Probe ensures your dishes are delicious every time. The food probe alerts you when food reaches the desired core temperature and switches the oven off so you get the perfect result.

---

#### Pyrolytic self-cleaning oven

Introducing an oven that cleans itself. Pyrolytic cleaning removes the need for you to use harsh chemicals to clean your oven. Simply set the Pyrolytic function, come back when it is complete and wipe away the residue.

#### The hands free hood

When paired with a compatible Electrolux extractor hood, the Hob2Hood automatically switches it on as you start cooking and adjusts the fan speed based on how you are using your hob. This means you can boil, sear or stir-fry without having to touch your hood with greasy fingers.

---

#### When 2 become 1

Create a single large cooking surface, ideal for making the most of plancha grill plates or roasting pots. FlexZone combines 2 separate cooking zones, including the temperature and time settings, for ultimate flexibility.

## Specifications

### PRODUCT PROFILE

Domestic warranty details (yrs)	2
Oven fuel	electric
Materials/Colour	Dark stainless steel
Controls of Oven	IOI,touch
Cooling fan	Yes
Anti tilt plate	Yes
Built in/ slot in	Yes
Front/rear controls	front
Storage drawer	Yes

### MAIN OVEN

Gross capacity litres	125
Useable capacity litres	116
Oven function	multifunction

### DIMENSIONS

#### PRODUCT DIMENSION

Total height (mm)	926
Total width (mm)	895
Total depth (mm)	600

### ELECTRICAL CONNECTION

Connected load KW	15.5
Maximum current rating (amps)	65
Type of connection	hardwired

## MAIN OVEN

Number of functions	13
Cleaning	pyrolytic
Pyrolytic functions	3
Oven liner	pyrolux high temperature enamel
Timer functions	acoustic signal,duration,end,minute minder,oven start,stop,Countdown,24 hour clock,fast heat up
