BENEFITS

3 YEAR WARRANTY
Because peace of mind should last as long as great design, this product has three years of trusted Electrolux support. *Available for purchases after 1 March 2026.

MATCH THE METHOD TO YOUR MEALS
Enjoy the speed and precision of induction cooking but also love the performance of gas? With this versatile combination of induction zones and a high power gas burner, you can tailor your cooking technique to your culinary repertoire with ease.

EVEN FRYING. AUTOMATICALLY.
SenseFry measures heat levels and makes automatic adjustments under the pan to maintain the ideal temperature for even cooking results. Now its easy for you to whip-up evenly browned pancakes and juicy steaks at home.

SEAR. STIR-FRY. BOIL.
The PowerBoost function gives you an intense heat boost when needed, before automatically dropping to the highest power level. Perfect for pan searing fish, stir-frying crunchy vegetables, or bringing water to the boil quickly.

COMBINE ZONES FOR MORE FLAVOUR
The Bridge function allows you to combine two separate cooking zones to create a single large surface. With the temperature and time settings automatically aligned, its ideal for making the most of planchas or roasting pots.

INTENSE HEAT RICH TASTE
The powerful 24 MJ wok burner provides the intense heat needed to lock in flavours and textures when stir-frying at high temperatures.

HANDS-FREE HOOD

Hob2Hood automatically switches on your extractor hood when you start cooking and adjusts the fan speed based on how you are using your hob. This means you can boil, sear or stir-fry without having to touch your hood with greasy fingers.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	3
Cooktop type	hybrid
Materials/Colour	black ceramic glass
Removable trim (for cleaning)	No
Wok included designed to fit cooktop	No

DIMENSIONS

Total product height (mm)	111
