

Spotless floors and pure air. Fully Sealed PureFlow™ system for superior performance and advanced filtration, effortlessly.

Product Details

FEATURES

Easy-roll wheels

1.6L Dustbin

Turbo nozzle

Sealed filtration system

7-Stage filtration

BENEFITS

Easy-roll wheels

With extra large wheels and precision handling, the Pure C9 follows you around the home effortlessly.

Easy Empty™ system

Controlled emptying system that hygienically disposes of dust away from you.

Effortless maintenance

One access point for all filters for effortless maintenance.

Powerful suction

155km air speed ensures dust is efficiently collected.

Sealed filtration system

Tight seals throughout the entire system to minimise loss of suction whilst maximising filtration.

7-Stage filtration

Backed by the 3D fine dust and HEPA filter to ensure only clean air is released back into your home.

Specifications

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
